

'Step into Your Authentic Personal Style'*

In this ultimate package you will find all of the elements required to achieve a total personal style transformation.

As part of this programme we will:

- Explore your personality, lifestyle and interests and understand how these can be used to create your unique personal style.
- Understand the importance of creating style Inspiration folders or mood boards
- Explore colours, patterns and fabrics that work best for you
- Create your personalised 'Body Shape Bible' and identify what cuts, styles of clothing and accessories will enhance and flatter your body shape and proportions.
- Audit your wardrobe in terms of identifying, what works and what doesn't
- Suggest how key items can be worn to maximise usage and produce a list of suggested additional wardrobe staples that may be needed to fill any gaps.
- Advise how best to make your wardrobe work for you and offer lots of useful styling advice along the way.
- Understand what accessories are best suited to your style, colouring and body shape
- Know how to use accessories to successfully inject personality, style and colour into your wardrobe
- Know what shoes work best with your body shape and style

Also included in this package:
